The Statistics Department reconciles the figures from the Air Terminal Services Manifest, Tonga Airport Limited and Ports Authority Manifest to produce final published data.

Statistics on Overseas Arrivals and Departures related to the number of movements of travelers rather than the number of travelers (i.e. the multiple movements of individual persons during a given reference period are all counted).

#### **Definitions**

The Statistics Department wishes to acknowledge the cooperation of the Immigration Department of the Ministry of Foreign Affairs and Trade and the Custom Department of the Ministry of Revenue Services, Air Terminal Services, Ports Authority making it possible to publish these important statistics.
