For the month of April 2020, Tonga's borders have been completely shut down with no more inbound flights allowed to enter the country and this was to prevent the introduction of Covid - 19.

However some citizens and permanent residents from Australia, New Zealand, United States, Japan etc who wishes to leave Tonga were being advised by their High Commissioners to register with their office and were allowed to leave. This was why we had only departures from Tonga and no arrivals.

Table 1. Monthly Arrival and Departure by Mode of Travel and Net Migration, 2010 - 2019
